Terms and Conditions

- An insurance charge of 10% of the rental sum will be added if any insurance claim arises through the actions of the hirer. The hired equipment must always be inspected upon receipt.
- The hirer is responsible for ensuring that the rented equipment is used with due care in an appropriate manner. If there is any fault in the rented equipment during its use, it is the responsibility of the hirer to demonstrate that the rented equipment was already defective upon receipt or that the damage occurred without any negligence on the part of the hirer.
- Any fault or damage which becomes apparent whilst the equipment is in use must be notified immediately. If the equipment is defective, we will provide a replacement.
